Greentech Fusion

The Mission: Empowering the Future

"Empower young innovators to build a sustainable, digital and community-driven future."

Sustainability

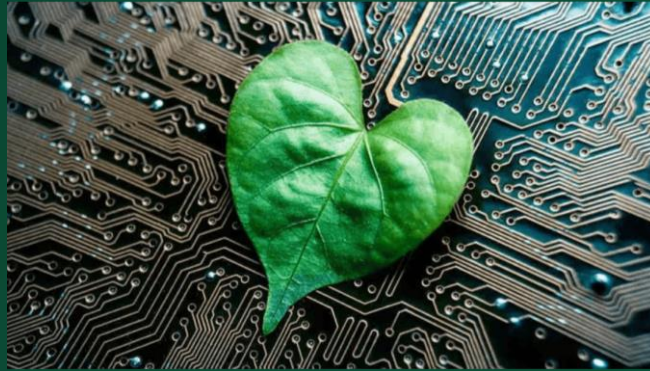

Creativity

Technology

Impact

Greentech Fusion

Three Pillars of Impact

Digital

Smart and responsible use
of technology

Green

Environmental awareness
and action

Social

Community engagement
and responsibility

Overview: 5 Thematic Challenges

Teams will explore challenges that connect digital technology and sustainability

1

Green Digital School

Make schools more sustainable through smart digital technologies

2

The Invisible E-Waste

Reduce, reuse or recycle electronic waste in schools and companies

3

My Sustainable Job

Prepare students for green and digital jobs of the future

4

Digital with Awareness

Reduce the environmental impact of daily technology use

5

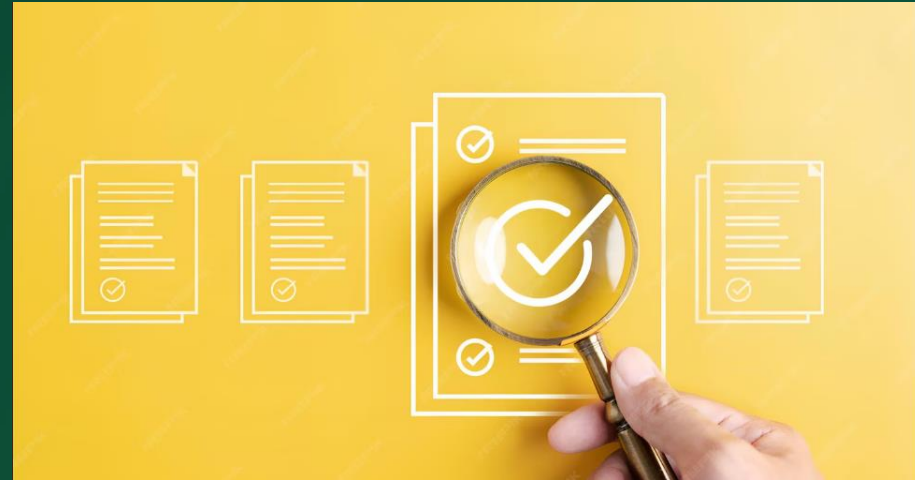

Sustainable Communities

Use digital technologies to promote sustainable behaviors locally

Greentech Fusion

Assessment criteria!

1. **Creativity and innovation** – new approaches and originality.
2. **Sustainability and impact** – real contribution to the environment.
3. **Feasibility and applicability** – can it be implemented in a school or company?
4. **Teamwork and communication** – cooperation and clarity in the pitch.

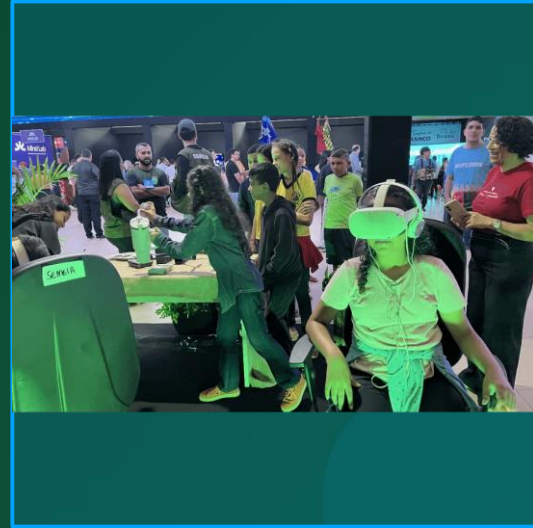

GreenTech Fusion

Ready to Innovate!

"Your ideas can change your **school**, your **community** and the **future**. Let's create, collaborate, and make an impact!"

Each of you has the power to transform challenges into opportunities. Together, we can build a more sustainable and digital world.

Good luck, GreenTech Fusion innovators!
